 Natural sweetness from Maine maple trees  
 Makes Maine maple syrup, as nice as you please.  
 Potatoes from Maine are really the best.  
 They're so much more scrumptious than ones from out west.  
 Strawberries, blueberries, are summertime treats.  
 And taste, oh so good, as natural sweets.  
 Apples grown here are crunchy and yummy.  
 In pies or as cider, they're great in your tummy.  
 Local grown squashes mixed with butter and salt,  
 Are ever so splendid that you cannot find fault.  
 Turnips and carrots are Maine veggies to eat.  
 They round out your dinner to make it complete.  
 Corn on the cob is a true Maine delight.  
 It is savory and sweet with every fresh bite.  
 Broccoli, milk, and don't forget fish.  
 All food from Maine is so good on your dish.

**We remember Gerry Prevost**

Gerry gave 22 years of service as Treasurer to the Cumberland Farmer’s Club, from 1996 until he chose to retire in 2018. Gerry was diligent in his work, honest, steadfast, and led the CFC into an era of financial wellness that is continued today. Gerry truly loved the Cumberland Fair and gave his all to make the Fair a success.

We are grateful for his many years of service, for his leadership, guidance and friendship. The poster he is standing in front of in this picture was a favorite, and the Rooster he is covering was nicknamed “Little Gerry”.

**We remember Bob Dyke**

Bob became an “official” member of Cumberland Farmer’s Club in 1996 but was involved with the Club and the Cumberland Fair long before his membership began. Over the years, Bob was involved in many operational areas of the Fair, including as Campground Superintendent and as the very first Superintendent of the Farm Museum. Bob was a great asset to the CFC, and his efforts over his many years of service are greatly appreciated.

**We remember George Hall**

George became a member of the Cumberland Farmer’s Club in 1957, at the age of 18, which (by CFC rules) was the first year he was eligible to do so. While we don’t have any actual evidence to prove it, we are pretty sure George started coming to the Cumberland Fair before he was able to walk. George had a passion for helping to improve the Cumberland Fairgrounds, including the sponsorship and creation of the Antique Power Building, which also houses a John Deere “toy store”. George was an exemplary member of the Cumberland Farmer’s Club, his contributions over these many years are so appreciated, and will live on in our history.

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

## Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.
