The 32nd Annual Cumberland Fair
Pumpkin and Squash Weigh-Off

This year’s Annual Cumberland Fair will host the 32nd Annual Maine State Pumpkin and Squash Weigh-In. Each year promises much anticipation and excitement to see who will outgrow last year’s massive gourd!

**Weigh-off**

1. All judges’ decisions are final. All judges will be responsible to have a complete knowledge of all rules and how to implement them fairly. It will be necessary to have a current copy of the rules present at each site in public view so anyone may reference them.

2. Growers are to aid and assist the site in running the weigh-off, upholding the integrity of the weigh-off site.

3. The Cumberland Farmers Club representative and site coordinator are to be in charge of the gathering of registration, money, weights, measurements, and other information deemed necessary.

4. Site coordinators, growers, and the Cumberland Farmers Club representatives, and site representatives are to work as a team to ensure each site is as accommodating to the growers, site, and Cumberland Farmers Club as possible, upholding the values of fair competition.

5. The Cumberland Farmers Club Giant Pumpkin/Squash weigh-offs are open to anyone wishing to participate without prejudice. All growers must comply with all rules and regulations set forth at the weigh-off site they wish to participate in. Any rules the Cumberland Farmers Club wishes to have must be fair and impartial for all growers.

6. The above-mentioned representatives will also assume responsibility of ensuring the integrity of the fruits and that scales have been calibrated by a recognized weights and measurement business or government prior to the weigh-off.

**Fruits and Growers**

1. The entry must be grown, cared for from seed to harvest, and exhibited by the grower. In case of an emergency the site coordinator, grower representative, and site representative will make a decision on the validity of the excuse.

2. Number of entries shall be limited to the following in the name of fairness:
   - Giant Pumpkins – Adult: One entry per family.
   - Giant Squash – Adult: One entry per family.
   - Giant Pumpkins – Child (ages 8-15): One entry per child; limit 3 children per family.
   - Giant Squash – Child (ages 8-15): One entry per child; limit 3 children per family.
   - Jack-O-Lanterns – Adult: One entry per family.
   - Jack-O-Lanterns – Child (under 15): One entry per child; limit 3 children per family.

3. Judges for a weigh-off will consist of the club/grower representative, site coordinator, and site representative, or 2 experienced growers. The two judges for the growers will be appointed by the Cumberland Farmers Club representatives. If any judge has an entry that is in question or cannot be present the day of the weigh-off, they will be excused from the judge’s panel and another grower will be appointed in their place.

4. All specimens must be weighed on a certified scale. A certified scale is one that has been inspected and certified by a Federal Governmental Agency and must have a current certification sticker attached to the scale. Scales that have been certified by a local government agency for commercial purposes are also acceptable scales.

5. No foreign material (i.e. fungicides, caulking, skin additives, etc.) will be permitted in the weighing of any fruit. Vines must be trimmed to within one inch of the stem of the fruit. The judges have the right to inspect any and all fruit before weights and measurements become official. Refusal of any inspection to any entry will cause the entry to be classified “exhibition” only.

6. The specimen must be sound, healthy, and undamaged. Entries must be free of rot, holes or cracks through to the cavity and serious soft spots.
   - A. If a spot is superficial and does not go through to the cavity of the fruit, it will be judged as an official entry.
   - B. The judges reserve the right to prove cracks, holes, and to dig out soft spots to judge a fruit official or not. Before the judges can execute any of the previous, they must have the grower present.

7. Any fruit that has been weighed at a previous weigh-off, be it a GPC or independent event, will not be considered for prize money and shall be classified Exhibition at the Cumberland Fair Weigh-off.

8. All entries, except Jack-O-Lanterns, must arrive on a pallet for ease of handling by Cumberland Fair personnel.

9. Giant pumpkin/squash must weigh at least 100 pounds to enter.

10. All entries must stay on the fairgrounds for the entire duration of the fair.

11. Fruit will be accepted at designated gate only from 9:00 a.m. to 9:30 a.m. on Sunday, September 22.

12. Fruit will be weighed beginning at 9:30 a.m. Sunday.

13. Jack-O-Lanterns may be moved to inside the Exhibition Hall after weigh-off.

**Color Requirements and Prize Money**

1. A. Squash will be classified as follows – 100% of the following colors or color combinations: green, blue and gray. The surface area of the fruit as grown in the garden, not including the portion that was in contact with, or close proximity to the ground. This area will include the area between the ribs, around the stem, and the blossom end. This will not include any netting (cantaloping) or any discoloration caused by the close proximity to, or the area on the ground.
   - B. The judges reserve the right to prove cracks, holes, and to dig out soft spots to judge a fruit official or not. Before the judges can execute any of the previous, they must have the grower present.

2. In the event of a tie of two or more places, all entries that are tied will have the prize money for the places that are tied, added together then split equally amongst the places that are involved.

3. Winner will be the heaviest pumpkin or squash by weight.

4. All fruit entered shall be grown within the borders of the State of Maine to be eligible for premiums.

**14.313 King Arthur Snickerdoodles (Youth age 15 and under)**

All prizes will be items selected and provided by King Arthur Flour.
Enter 6 Cookies

Ingredients
1 cup vegetable shortening
1 1/2 cups sugar
2 large eggs
1 teaspoon vanilla extract
1 teaspoon cream of tartar*
1 tablespoon baking soda*
1/2 teaspoon salt
2 3/4 cups King Arthur Unbleached All-Purpose Flour
2 cups cinnamon-sugar

Instructions
1. Preheat the oven to 400°F. Lightly grease (or line with parchment) two baking sheets.
2. In a medium-sized mixing bowl, beat together the shortening and sugar until smooth, then beat in the eggs, again beating until smooth. The mixture will become lighter, and lighter-colored, as you beat; this is the result of air being absorbed.
3. Beat in the vanilla, cream of tartar, baking soda (or baking powder, in place of the cream of tartar and soda), and salt, then add the flour, mixing slowly until combined.
4. Place about 1/2 cup cinnamon-sugar in an 8” or 9” round cake pan.
5. Drop the soft dough by tablespoonfuls into the pan with the sugar, about 6 to 8 balls at a time. Gently shake the pan to coat the dough balls with sugar.
6. Place the cookies on the prepared baking sheets, leaving about 1 1/2” between them. Using the bottom of a glass, flatten each cookie until it’s about 1/2” thick. Repeat until you’ve used up all the dough.
7. Bake the snickerdoodles for 11 to 12 minutes, reversing the position of the pans (top to bottom, and back to front) midway through.
8. Remove the cookies from the oven once they’re set and just starting to turn golden. Transfer them to a rack to cool completely.
9. Yield about 40 cookies.
Instructions: Preheat oven to 400 F. Sift dry ingredients together in a bowl. Combine egg, slightly beaten with milk, Maine maple syrup, and oil. Add wet ingredients and apples to dry mixture, and mix gently. Spoon into greased muffin tins. Bake for 18-20 minutes. Makes 12 muffins.
