The Officers, Directors, Superintendents and Members of the Cumberland Farmer's Club have been working hard to bring you and your family a fun and safe fair experience for 2021. It is our hope that you will spend time with us and enjoy the variety of agriculture, entertainment, livestock, history, and tradition our Fair has to offer.

Be safe and please enjoy our fair grounds. Hope to see you during the Fair!

Sincerely,

The 33rd Annual Cumberland Fair Pumpkin and Squash Weigh-Off

This year's Cumberland Fair will host the 33rd Annual Maine State Pumpkin and Squash Weigh-In. Each year promises much anticipation and excitement to see who will grow record-breaking massive gourds!

Weigh-off

1. All judges' decisions are final. All judges will be responsible to have a complete knowledge of all rules and how to implement them fairly. It will be necessary to have a current copy of the rules present at each site in public view so anyone may reference them.
2. Growers are to aid and assist the site in running the weigh-off upholding the integrity of the weigh-off site.
3. The Cumberland Farmer's Club representative and site coordinator are to be in charge of the gathering of registration, money, weights, measurements, and other information deemed necessary. All decisions made by the Cumberland Farmer's Club are final.
4. Site coordinators, growers, and the Cumberland Farmer's Club representatives, and site representatives are to work as a team to ensure each site is as accommodating to the growers, site, and Cumberland Farmer's Club as possible, upholding the values of fair competition.
5. The Cumberland Farmer's Club Giant Pumpkin/Squash weigh-offs are open to anyone wishing to participate without prejudice. All growers must comply with all rules and regulations set forth at the weigh-off site they wish to participate in. Any rules the Cumberland Farmer's Club wishes to have must be fair and impartial for all growers.
6. The above-mentioned representatives will also assume responsibility of ensuring the integrity of the fruits and that scales have been calibrated by a recognized weights and measurement business or government prior to the weigh-off.

Fruits and Growers

1. The entry must be grown, cared for from seed to harvest, and exhibited by the grower. In case of an emergency the site coordinator, grower representative, and site representative will make a decision on the validity of the excuse.
2. Number of entries shall be limited to the following in the name of fairness: Giant Pumpkins – Adult: One entry per family. Giant Squash – Adult: One entry per family. Giant Pumpkins – Child (ages 8-15): One entry per child; limit 3 children per family. Giant Squash – Child (ages 8-15): One entry per child; limit 3 children per family. The two judges for the growers will be appointed by the Cumberland Farmers Club representatives. If any judge has an entry that is in question or cannot be present the day of the weigh-off, they will be excused from the judge's panel and another grower will be appointed in their place.
4. All specimens must be weighed on a certified scale. A certified scale is one that has been inspected and certified by a Federal

- Governmental Agency and must have a current certification sticker attached to the scale. Scales that have been certified by a local government agency for commercial purposes are also acceptable scales.
5. No foreign material (i.e. fungicides, caulking, skin additives, etc.) will be permitted in the weighing of any fruit. Vines must be trimmed to within one inch of the stem of the fruit. The judges have the right to inspect any and all fruit before weights and measurements become official. Refusal of any inspection to any entry will cause the entry to be classified "exhibition" only.
 6. The specimen must be sound, healthy, and undamaged. Entries must be free of rot, holes or cracks through to the cavity and serious soft spots.
 - A. If a soft spot is superficial and does not go through to the cavity of the fruit, it will be judged as an official entry.
 - B. The judges reserve the right to prove cracks, holes, and to dig out soft spots to judge a fruit official or not. Before the judges can execute any of the previous, they must have the grower present.
 7. Any fruit that has been weighed at a previous weigh-off, be it a GPC or independent event, will not be considered for prize money and shall be classified Exhibition at the Cumberland Fair Weigh-off.

age of cream of tartar in the U.S. during World War II. It is sold throughout the U.S. but is most popular in the state of Maine. The current manufacturer, the New England Cupboard, is the successor to Byron Smith's original company. Their Bakewell-related products include the original baking powder in several varieties and a biscuit mix, all sold through several channels under the "Bakewell Cream" label. All varieties include acid sodium pyrophosphate, which was Byron Smith's original unique ingredient; those sold as "baking powder" also include sodium bicarbonate. - 2 cups King Arthur White Whole Wheat Flour, Premium Whole Wheat Flour, or Gluten-Free Measure Flour
- 1 cup brown sugar
- 2 teaspoons baking soda
- 2 teaspoons ground cinnamon
- 1/2 teaspoon ground ginger
- 1/2 teaspoon salt

Preheat the oven to 375°F. Lightly grease a 12-cup muffin tin, or line it with papers and spray the insides of the papers. - 1 teaspoon baking soda*
- 1/2 teaspoon salt
- 2 3/4 cups King Arthur Unbleached All-Purpose Flour
- cinnamon-sugar

Instructions

Preheat the oven to 400°F. Lightly grease (or line with parchment) two baking sheets. In a medium-sized mixing bowl, beat together the shortening and sugar until smooth, then beat in the eggs, again beating until smooth. The mixture will become lighter, and lighter-colored, as you beat; this is the result of air being absorbed. Beat in the vanilla, cream of tartar, baking soda (or baking powder, in place of the cream of tartar and soda), and salt, then add the flour, mixing slowly until combined. Place about 1/2 cup cinnamon-sugar in an 8" or 9" round cake pan. Drop the soft dough by tablespoonsful into the pan with the sugar, about 6 to 8 balls at a time. Gently shake the pan to coat the dough balls with sugar.

Place the cookies on the prepared baking sheets, leaving about 1 1/2" between them. Using the bottom of a glass, flatten each cookie until it's about 1/2" thick. Repeat until you have used up all the dough. Bake the snickerdoodles for 11 to 12 minutes, reversing the position of the pans (top to bottom, and back to front) midway through. Remove the cookies from the oven once they are set and just starting to turn golden. Transfer them to a rack to cool completely.

Yield: about 40 cookies
