It is our hope that you will spend time with us and enjoy the variety of agriculture, entertainment, livestock, history, and tradition our Fair has to offer.

Certainly, what you see and experience at the Fair has changed over these many years, but one thing has always held true – the Cumberland Farmer's Club has always kept agriculture at the forefront of our Fair.

The 34th Annual Cumberland Fair Pumpkin and Squash Weigh-Off

This year's Cumberland Fair will host the 34th Annual Maine State Pumpkin and Squash Weigh-In. Each year promises much anticipation and excitement to see who will outgrow last year's massive gourd!

Weigh-off

1. All judges' decisions are final. All judges will be responsible to have a complete knowledge of all rules and how to implement them fairly. It will be necessary to have a current copy of the rules present at each site in public view so anyone may reference them.
2. Growers are to aid and assist the site in running the weigh-off upholding the integrity of the weigh-off site.
3. The Cumberland Farmers Club representative and site coordinator are to be in charge of the gathering of registration, money, weights, measurements, and other information deemed necessary.
4. Site coordinators, growers, and the Cumberland Farmers Club representatives, and site representatives are to work as a team to ensure each site is as accommodating to the growers, site, and Cumberland Farmers Club as possible, upholding the values of fair competition.
5. The Cumberland Farmers Club Giant Pumpkin/Squash weigh-offs are open to anyone wishing to participate without prejudice. All growers must comply with all rules and regulations set forth at the weigh-off site they wish to participate in. Any rules the Cumberland Farmers Club wishes to have must be fair and impartial for all growers.
6. The above-mentioned representatives will also assume responsibility of ensuring the integrity of the fruits and that scales have been calibrated by a recognized weights and measurement business or government prior to the weigh-off.

Fruits and Growers

1. The entry must be grown, cared for from seed to harvest, and exhibited by the grower. In case of an emergency the site coordinator, grower representative, and site representative will make a decision on the validity of the excuse.
2. Number of entries shall be limited to the following in the name of fairness: Giant Pumpkins – Adult: One entry per family. Giant Squash – Adult: One entry per family. Giant Pumpkins – Child (ages 8-15): One entry per child; limit 3 children per family. Giant Squash – Child (ages 8-15): One entry per child; limit 3 children per family. 3. Judges for a weigh-off will consist of the club/grower representative, site coordinator, and site representative, or 2 experienced growers. The two judges for the growers will be appointed by the Cumberland Farmers Club representatives. If any judge has an entry that is in question or cannot be present the day of the weigh-off, they will be excused from the judge's panel and another grower will be appointed in their place.
4. All specimens must be weighed on a certified scale. A certified scale is one that has been inspected and certified by a Federal

- Governmental Agency and must have a current certification sticker attached to the scale. Scales that have been certified by a local government agency for commercial purposes are also acceptable scales.
5. No foreign material (i.e. fungicides, caulking, skin additives, etc.) will be permitted in the weighing of any fruit. Vines must be trimmed to within one inch of the stem of the fruit. The judges have the right to inspect any and all fruit before weights and measurements become official. Refusal of any inspection to any entry will cause the entry to be classified "exhibition" only.
 6. The specimen must be sound, healthy, and undamaged. Entries must be free of rot, holes or cracks through to the cavity and serious soft spots.
 - A. If a soft spot is superficial and does not go through to the cavity of the fruit, it will be judged as an official entry.
 - B. The judges reserve the right to prove cracks, holes, and to dig out soft spots to judge a fruit official or not. Before the judges can execute any of the previous, they must have the grower present.
 7. Any fruit that has been weighed at a previous weigh-off, be it a GPC or independent event, will not be considered for prize money and shall be classified Exhibition at the Cumberland Fair Weigh-off.

(Adult, 16 & over)

Ingredients

1/2 cup (71g) raisins or craisins

2 cups (227g) King Arthur White Whole Wheat Flour

1 cup (213g) light brown sugar or dark brown sugar, packed

2 tps baking soda

2 tps cinnamon

1/2 tsp ginger

1/2 tsp salt

2 cups (198g) peeled and grated carrots

1 large tart apple, peeled, cored, and grated (or leave the peel on; your choice)

1/2 cup (43g) shredded coconut, sweetened or unsweetened

1/2 cup (57g) chopped walnuts
1/3 cup (42g) sunflower seeds or 1/3 cup (43g) wheat germ, optional
3 large eggs
2/3 cup (131g) vegetable oil
2 tsps vanilla extract
1/4 cup (57g) orange juice

Instructions

1. Preheat the oven to 375°F. Lightly grease a 12-cup muffin tin, or line it with papers and spray the insides of the papers.
2. In a small bowl, cover the raisins with hot water, and set them aside to soak while you assemble the rest of the recipe.
3. In a large bowl, whisk together the flour, sugar, baking soda, spices, and salt.
4. Stir in the carrots, apple, coconut, nuts, and sunflower seeds or wheat germ.
5. In a separate bowl, beat together the eggs, oil, vanilla, and orange juice.
6. Add to the flour mixture and stir until evenly moistened.
7. Drain the raisins and stir them in.
8. Divide the batter among the wells of the prepared pan (they'll be full almost to the top; that's OK).
9. Bake the muffins for 25 to 28 minutes, until they're nicely domed, and a cake tester inserted in the center of one of the inner muffins comes out clean.
10. Remove from the oven, let cool for 5 minutes in their pan on a rack, then turn out of pans to finish cooling. Wrap any leftovers airtight, and store at room temperature for several days; freeze for longer storage.

14.313 King Arthur Gingersnaps (Youth age 15 & under)

All prizes will be items selected and provided by King Arthur Flour. Enter 6 Cookies

Gingersnaps - These crunchy, spicy rounds with their cracked, sugary tops are equally at home dunked in tea, coffee, or milk, and frequently enjoyed during the November/December holiday season. But they're just as welcome on a mellow, golden, late-September afternoon, with a comfortable lounge chair and a large glass of fresh-squeezed lemonade. YIELD :about 5 dozen cookies

Ingredients

Cookies
3/4 cup (138g) vegetable shortening
1 cup (198g) granulated sugar
1/2 tsp salt
2 tsps baking soda
1 large egg
1/3 cup (113g) molasses
2 1/3 cups (280g) King Arthur Unbleached All-Purpose Flour
1 to 2 tsps ginger
1/2 tsp cloves
1 tsp cinnamon

Coating

1/4 cup (50g) granulated sugar
1 tsp cinnamon

Instructions

1. Preheat the oven to 375°F. Lightly grease (or line with parchment) two baking sheets.
2. Beat together the shortening, sugar, salt, and baking soda.
3. Beat in the egg, then the molasses.
4. Add the flour and spices, beating to make a smooth, fairly stiff dough.
5. To make the coating, combine the sugar and cinnamon, and place in a shallow pan or dish.
6. Drop the dough in 1" balls into the cinnamon-sugar mixture; a teaspoon cookie scoop is perfect here.
7. Roll the balls in the sugar to coat, then transfer them to the prepared baking sheets, leaving at least 1 1/2" between them; they'll spread as they bake.
8. Bake the cookies for 11 minutes, for cookies that are crisp around the edges, and "bendy" in the center. Bake for 13 minutes, for cookies that are crisp/crunchy all the way through.
9. Remove the cookies from the oven, and cool right on the pan, or on a rack. Cool completely, then store tightly wrapped, at room temperature.
